

Certificate of Approval

This is to certify that the Management System of:

voestalpine Railway Systems GmbH

Kerpelystraße 199, 8700 Leoben, Austria

has been approved by LRQA to the following standards:

ISO 14001:2015, ISO 9001:2015, ISO 45001:2018, ISO 50001:2018

Approval number(s): ISO 14001 – 0018687, ISO 9001 – 0018684, ISO 45001 – 0026637, ISO 50001 – 0018686

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Research, design and sales of railway systems, especially including rails, turnout systems, turnout installations, turnout components, rail expansion joints, fastening systems, sleepers/bearers as well as associated drive and setting devices, signaling, detection and safety-related systems for infrastructure and rolling stock including related surveying, servicing, logistics and training. Information, coordination and controlling of the subsidiaries of voestalpine Railway Systems GmbH concerning health-, safety-, environmental-, energy- and quality-related technical, organisational and legal affairs on basis of internal requirements for sustainable development and corporate social responsibility.
