(3) Our liability for products not delivered on time is explicitly limited to those cases in which we have confirmed the shipping date in writing. The customer is entitled to resell the products in the course of his ordinary business. The customer henceforth assigns to us all receivables to the full invoice amount, which are due him by the resale of the products to third parties, and he undertakes to make a corresponding remark in his books or invoices. We herewith accept this assignment. Following this assignment, the customer is entitled to collect the amounts due him. We reserve the right to collect the receivables ourselves if the third party is in default of payment.

(2) If the products are processed by the customer, we acquire co-ownership of the new item proportionally to the value of the products delivered by us. The same shall apply if the products are processed or mixed with other objects, which do not belong to us.

Warranty (11)

(1) In cases of defective products, we shall provide warranty for the defect, at our choice, by way of refurbishment or exchange. If an improvement or exchange is not possible, or has failed, the customer shall be entitled to demand a price reduction or, when it is not a minor defect, to rescind the contract.

Minor deviations from quality, form, color, weight or design, or that are technically unavoidable, or are in line with commercial practice, are not deemed defects and may not be claimed against. The same applies to deliveries based on samples and specimens. Damaged packaging falls under minor defects and does not convey the right to refuse acceptance.

(2) In cases in which the buyer is entitled to issue notices of defects, such notices must be given, in writing, within 7 days in case of land freight transportation and 14 days in case of sea freight transportation after the delivery of the products; otherwise, the assertion of a warranty claim is excluded. Hidden defects must be reported, in writing, immediately upon discovery and any processing must be terminated. The notice of defects must be specified exactly.

(3) The warranty period for the products is 12 months from the date when the risk has transferred to the customer and 6 months for spare parts. For the following products the warranty period deviates as follows:

Welding Helmets:	24 months
Respiratory Systems:	24 months
Batteries:	6 months

(4) In the event of hidden defects that were notified in time, the customer shall be obliged to give us an opportunity to review the products for which the existence of hidden defects has been notified within a reasonable period of time, which in no case will exceed of 10 (ten) days.

(5) We offer no additional guarantees to customers other than those defined herein. Unless otherwise contractually agreed, we do not warrant or accept any liability for the characteristics or the usability of the products for a specific purpose, other than those explicitly agreed to by us. Products subject to wear and tear are – as far as legally permissible or if not mutually agreed otherwise in writing – excluded from the warranty.

Liability (12)

(1) Our liability is limited to intent and gross negligence. The liability and compensation for consequential damages, financial loss, loss of interest, loss of profit and damages from claims of third parties against the customer are excluded.

(2) The above limitations of liability do not apply to injury to body or health, or loss of the customer's life.

(3) To the extent permissible by law, joint and several liability, irrespective of their legal grounds, is limited to the total net value of the order of the individual shipment related to the damage (excl. any surcharges for transport, packaging, storage or duties).

(4) To the extent permissible by law, all rights to claim for compensation cease 12 months after becoming aware of the damage and of the injuring party. In any case, the Company's liability towards third parties will be limited to the net value of the order made by the final customer and specifically for the product related to the damage in question.

(5) Any claims and rights shall be excluded, if applicable standards and regulations, storage instructions or the operating and manual instructions have not been observed when using the product or the product has been treated or improperly used by a non-expert person or modifications have been made to the product or third-party or replica parts have been used, unless the defect of the product cannot be attributed to these aforementioned events of which the customer bears the burden of proof in the event of such a dispute.

(6) Technical consultations and information about processing and possible uses of our products that we provide free of charge are deemed a service without commitment, and for which we assume no liability.

(7) We are only liable for our own content on the Company's website. In the event that we provide links to other website, we are not liable for the third party content included in such websites. In the event that we obtain knowledge of illegal content on external websites, we shall immediately block access to such sites.

(1) We remain the sole owner of our trademarks, recipes, software, copyrights and patents, whether registered or not. By no means shall any right or license be granted by ways of this GTC to the customer under any patent, trademark, copyright, registered design, except the right to use or re-sell the Products as permitted herein. As the sole proprietor we retain all intellectual property rights in our drawings, specifications, data and all other information and documents prepared by us for the customer in whatever medium made available.
